We honor those who paid the ultimate price

FREEDOM ISN'T FREE... The price tag? The sacrificial shedding of the blood of American soldiers in battle. They paid the ultimate price for our freedom, and WE HONOR THEM! In our life of liberty, we also need freedom from personal problems and issues. Usually, these are consequences from not giving God His rightful place in our daily lives (a.k.a. our sin). The love-motivated, sacrificial shedding of the blood of Jesus Christ on a cross was the penalty that He paid for our sin. He took our place, so that we can experience the forgiveness of our sins and freedom from their consequences in this life, and in the next. He was buried, and in 3 days... raised from the dead! He gave His life for us; our part is to give our lives to Him. *Will you do that?*

HERE'S HOW: *(and you can do this right where you are!)*

1. Pray: Ask Jesus Christ (the Son of God) to come into your life.
2. Ask God to forgive you for your sin and help you live in a way that honors Him.

THEN:

- Live for God and discover your eternal purpose.
- Pray (talk to God) daily.
- Read the Bible daily and live accordingly.
- Trust God who has power to change things.
- Tell others.
- Resist any urge to turn from God.

DON'T WAIT UNTIL IT'S TOO LATE!

The alternative is: You pay the penalty for your own sins (eternity in Hell). "The wages of sin are death, but the gift of God is eternal life, through union with Christ Jesus, our Lord." (*Romans 6:23*)

We were never meant to go it alone.
